PROFILE

Creative and operations-focused leader with expertise in AI ecosystems, 3D, and integrated photo/video productions. Expert at building repeatable systems and workflows that elevate high-quality output across complex, multi-platform productions. Known for driving creative excellence and operational improvement with a strategic approach. I lead with empathy, act with clarity, and deliver with trust.

EXPERIENCE

WAYFAIR

Global Creative Production Manager Feb 2023 – Present

Sr. Brand Producer, Joss & Main Jan 2021 – Jan 2023

Lead integrated production strategy and execution across photo, video, and AI-first workflows, overseeing GTM initiatives, video campaigns, and brand partnerships for Wayfair and its specialty/luxury portfolio: AllModern, Birch Lane, Joss & Main, and Perigold. Central partner to creative, visual AI, and marketing teams, synchronizing cross-functional roadmaps and project lifecycles from concept through multi-platform delivery.

- Drive LLC-wide Gen AI production strategy and governance to unify production workflows, ensuring consistent, efficient, and scalable AI integration.
- Co-build budget and analytics systems to manage multi-million dollar spend, improving fiscal visibility and strategic resource allocation.
- Optimize production and GTM strategies, operating models, and logistics to boost efficiency, budgets, and ROI.
- Design and implement standardized production systems adopted across the Wayfair LLC brand portfolio.
- Champion a collaborative culture by clarifying processes and building frameworks that bridge team silos.
